

2019 Amended C Corporation Income Tax Return Instructions

You MUST use the amended return form that corresponds to the tax year you are amending or your amended return cannot be processed.

Visit https://www.colorado.gov/pacific/tax/corporation-income-tax-prior-year-forms to find the correct prior year form.

The 2019 DR 0112X, Amended Colorado C Corporation Income Tax Return, is used to correct your 2019 Corporation income tax return. File the return for free using Revenue Online. You can file on paper if you cannot file electronically, but please note that filing on paper may result in processing delays. For more information or any questions pertaining to income, deductions, modifications, credits, etc., refer to the income tax 112 Book for 2019 or call the Department of Revenue at 303-238-SERV (7378). You can also visit *Colorado.gov/Tax* to obtain forms, information and the FYIs referenced herein.

Supporting Documents: You must submit all required schedules and supporting certifications to this amended return even if there is no change from the original return. (For example: Schedule RF, DR 0112CR, DR 0074, etc.) Failure to include this documentation will result in the disallowance of credits, subtractions or reduced apportioned income and will result in processing delays.

Lines 37 through 43 compute the amount you owe to the state on the amended return. Any decrease in the amount of the overpayment (line 37) or increase in the amount owed (line 38) will indicate that an amount is owed with the amended return. See FYI General 11 for assistance in computing the amount of interest to enter on line 40. If you have previously been assessed a delinquency penalty or estimated tax penalty and this amended return causes the amount of penalty to change, enter the increased penalties on lines 41 and/or 42.

Lines 44 through 48 compute your refund of credit available on the amended return. Any increase in the amount of the overpayment (line 44) or decrease in the amount owed (line 45) will indicate that an overpayment is available with the amended return. The overpayment can be credited to estimated tax (line 47) for the tax year following the period on the amended return, or can be requested as a refund (line 48).

Statute of Limitations. The statute of limitations for filing a Colorado claim for refund is generally four years from the original due date of the return or three years from the date of the last payment of tax or the year involved, whichever is later. In the case of an investment credit or capital loss carryback, the claim must be filed within four years of the due date of the return for the year during which the credit or loss arose. See FYI General 18. **Colorado net operating losses** may not be carried back to an earlier year. They may be carried forward for 15 years from tax years beginning before August 6, 1997, and 20 years from tax years beginning on or after August 6, 1997.

Protective Claims. If this amended return is being filed to keep the statute of limitations open pending the outcome of a court case or tax determination in another state that affects your Colorado return, check the protective claim box under reason for filing corrected return.

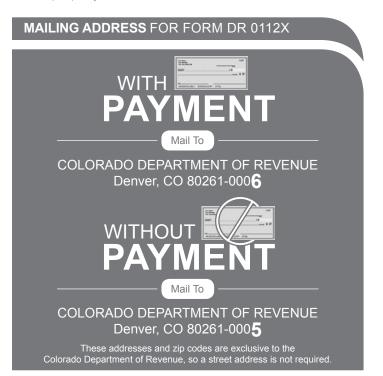

Payment

Taxpayers can now visit *Colorado.gov/RevenueOnline* to pay online. Online payments reduce errors and provide instant payment confirmation. If you are not submitting your return electronically, please include your payment with this amended return.

Write the tax year and your FEIN or Colorado Account Number on the memo line of the check. Otherwise, your account might not be properly credited.
